

Joint OTIS-ENTIS Meeting 2024: save-the-dates-update

Friends and colleagues,

I am happy to announce a minor update to the planned OTIS-ENTIS Meeting in 2024:

The next joint OTIS-ENTIS Meeting will be held in **Nyborg**, Denmark, on September 12-15th 2024.

- Business- and Committee meetings are booked for September 12th
- Official welcome reception on the evening of September 12th
- Scientific Meeting on September 13th-14th-15th (including lunch)

Nyborg <https://www.visitnyborg.com/> is an 800-year-old old very charming minor coastal City right in the center of Denmark, close to my hometown, Odense. There are frequent and reliable train connections to Copenhagen (1 hour); Copenhagen Airport (1 hour 15 min) and Odense (15 min).

Odense is of course the hometown of Hans Christian Andersen and well worth a visit. A large new spectacular HCA House will open later this year:

- <https://www.visitodense.com/tourist/see-do/hans-christian-andersen/new-hans-christian-andersen-house-opens-summer>
- Also: <https://english.odense.dk/about-odense> & <https://www.visitodense.com/>

I have been fortunate to book this fantastic venue/hotel which is situated - quite literally - on one of the best beaches in Denmark: <https://www.sinatur-hotels.com/storebaelt/>

Your friend, colleague, and host,

Per Damkier

Professor, MD PhD
